

Kraftex Needle Case

In this mini-class we'll discuss Kraftex: what it is, how to use it and then you will make this fun needle case.

It measures 5.75" x 7.5" finished so it's the perfect size to throw into your bag for on the go projects.

What you'll need:

- 1 roll of Kraftex
- 1 fat quarter
- 3' x 3.5" piece of felt
- 1 1/8 yard of ribbon
- thread - can either match or contrast the Kraftex
- a size 90 needle
- IF available, an old rotary blade for cutting the Kraftex
- embellishments for the front of the case:
 - you can use a variety of items including sharpie markers, paint, stamps, etc.
- Wonder Clips

Basic Sewing Supplies:

- machine in good working order
- rotary cutter, ruler, and mat
